

In India, a young prince rises from youthful innocence to a valiant hero and almost single-handedly fights an entire army in the name of justice . Prince Gopal, the son and heir of the Raja Gomboy, grew up in luxury and bliss, trained from childhood in chivalrous manners and weapons. He is full of energy and strength, but his father Raja does not feel like a son in him. A caring father tries to teach the prince the sciences, but Gopal shows no interest in knowledge. He is busy only playing with his peers, friends and his father's warriors. Gopal prefers not court life, but adventures in the wild forests, where he and his friends often ambush his father's enemies.
