
Call Of Duty 4 Ui.ff EXCLUSIVE

Adapted standard and custom weapon models from multiplayer for single player. Models reworked and packaged in ff file, so that's it. Description: 1. "Groza-D" (modification) Compared to the standard Groza-D, the barrel of the modification has been slightly changed (reduced by 15 mm), as well as a bar for mounting optics has been added, and the sight has also been reduced by 40 mm. In my opinion, Groza-D is the most successful modification option for the standard Groza-D, because. unlike other modifications, it has a thicker stock, which provides a more comfortable game. To install the modification you will need: -
